

**A specialized insurance program designed for breweries.**

**Success is brewing.**

Craft brewers know that creating fine beer is not simply an occupation – it is a passion. At BreweryPak®, we share this passion for beer and beer making. It is the single most compelling reason why we have made it our business to help you protect yours.

**Providing customized coverages exclusively for breweries:**

- Buildings
- Production Equipment
- Tanks & Barrels
- Beer Stock
- Beer Leakage & Contamination
- Specialized Beer Loss Valuation
- Equipment Breakdown Coverage
- General Liability
- Liquor Liability
- Product Withdrawal Expense
- Commercial Auto
- Excess Liability
- Cyber Risk

**We have the ability to accommodate a diverse range of exposures for all sized brewery operations including:**

- Beer Production
- Beer Production for Others
- Tasting Rooms
- Restaurants
- Special Events
- Bonds
- Beer Storage
- Retail Sales
- Beverage Shops
- Catering
- Lodging

**A dedicated team of brewery experts**

At BreweryPak, we are constantly on the road visiting breweries throughout our territories. We tour facilities to evaluate risks and talk with brewers, distributors and retailers, gaining an intimate understanding of the entire brewery business from the ground up. Fostering strong personal relationships has been the basis for the ongoing development and refinement of our programs – and also for our success.

For information about our outstanding coverage options, please contact us at **Kanderson@faceins.com** or **(406) 892-0484**

**Your business. Our specialty.**
